REV IT UP!

Forgive me if I seem a little bit insane
It's the high-octane adrenaline all in my veins
Ain't no fixin' this addiction, don't intend to try.

Put the pedal to the metal, baby, let me fly and
'Rev it up!

CHORUS

Up Up, Up Up Rev it up (Repeat)

Nothing seems to get me quite as high
as cruisin' on along at 195 (mph)
A decision with a vision, you can't eat my dust
I'm gonna take it to the limit, man, what a rush.

Rev it up!
